

## Riesling Bittersweet

---

Bittersweet prepared with Riesling wine from Lonsehim (Germany), sublimely elegant, very fruity and slightly acidic, with a silky body that is fresh at the same time.

Aged for twelve months in French oak barrels, it has a full bouquet and toasted oak notes from the noble wood where it was aged.

The final phase consists of adding grape juice to attain this unique bittersweet flavour.

### Tasting notes

---

**Colour:** Intense old gold.

**Scent:** Light exotic fruit aromas (pineapple and mango) with different citric hints (lemon and orange). Intense floral undertone, elegant and complex in aroma.

**Flavour:** Generous, pleasant flavour with great presence of fruits.

**Pairing:** Combine with exotic fruit salads. Also ideal for duck or chicken dishes with orange, or to prepare marinated fish.
