ARBEQUINA EVERYDAY

EXTRA VIRGIN OLIVE OIL

NOS ARBEQUINA EVERYDAY IS THE CLASSIC
VERSION OF OUR FINEST ARBEQUINA:
fruity, ripe, and balanced.

Arbequina is one of the most prized olive varieties in the world. Its small size hides an exquisite aroma and flavor.

Origin

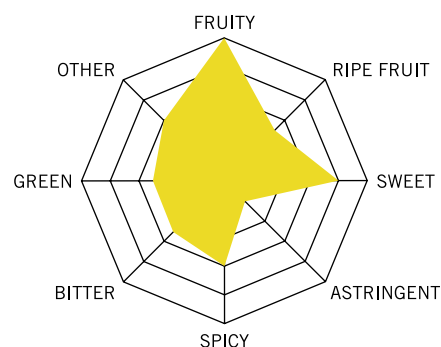

NOS Arbequina Everyday comes from the Protected Designation of Origin (PDO) Siurana. Despite representing only 1.2% of total PDO olive oil production in the country, Siurana is Spain's leading PDO olive oil in terms of sales. Its mix of coastal and mountainous zones results in fruity, ripe, elegant, and well-balanced oils.

Variety

Arbequina is a small, rounded variety known worldwide for its aromatic and smooth profile. We cultivate it right in its native land, in its most genuine expression.

Tasting Notes

Oil with a balanced and complex profile, medium-high olive fruitiness, with a great variety of secondary vegetal aromas: green grass, tomato, green almond, artichoke, kiwi, and banana peel. The mouthfeel is of almond and green almond, with notably well-balanced bitterness and pungency, and a final astringency that does not interfere with its profile.
