Tasting Notes

NOS vinegar evokes the flavors of Mediterranean cuisine, ideal for vinegar lovers.

With a hint of residual alcohol, it gains body and character.

Its intense garnet color and rich aroma stand out, with hints of plums, cherries, and raspberries. On the palate, it is lively, expressive, and elegant, with a magnificent presence of vegetal and fruity notes.

Pairing

Especially recommended for making vinaigrettes, in salads and preserves, or for the classic strawberries with vinegar. For the more daring, try it with some meat-stuffed "piquillo" peppers.
